

Hello Junior Smarties Summer Camp ECE Families!

We are so excited to be able to make this summer super fun for your little ones! To ensure all families are ready to go we have listed some requests and reminders below:

- Provide a change of clothes in a labeled resealable plastic bag to be left on-site and replenished as needed.
*Please note that it is required that children are potty trained prior to attending our program.
- Send a nap/chill time blanket and fitted sheet for weekly use, blankets will need to go home for washing at the end of each week.
- Bring a life vest for non-swimmers on Mondays. We cannot allow arm floaties or other floatation devices that do not zip up around their chest. Some pools offer life vests, but we have noticed a shortage at the pools and want to make sure everyone has one to maximize their fun in the pool.
- Please make sure to label all the child's belongings.
- JeffCo District buses will be utilized for transportation, they have available 5-point harness buckles. If ever a car seat or booster seat is needed, we will let families know.

These reminders are in addition to general camp reminders that can be reviewed on the Camp page of our website: <https://www.kids-smart.com/summer>

Thank you for sharing your children with us and we are looking forward to a fun-filled summer with them!

Sincerely,

The Kids SmART Team
